Directions: You will have 60 minutes to write about the topic of “University”. Recall the issues that have been covered today. Now consider these issues as you answer the question below in an academic essay. You will be graded on the **language** (50%) and the **organization/development** (50%) of your essay. Make sure you answer the essay question **directly**, i.e. without going off the topic. Your essay should have:

- an **introduction** paragraph which has a clear and well-structured **thesis statement**,
- one or two well-developed **body paragraphs** with **topic sentences**, **supporting sentences**, and **details/facts/examples**,
- and a **concluding paragraph**.

Question:

IN WHAT WAYS DO PEOPLE BENEFIT FROM UNIVERSITY EDUCATION?

You may plan your ideas on the back of this page. You will not be graded on your plan.
