

LÜTFÜ İHSAN AKPUNAR

PERSONAL INFO

Address: Şekip Ayhan Özışık Avenue No:46 Boğaziçi University
Kandilli Dorm Çengelköy/Üsküdar/İstanbul

Phone number: 05423321569

E-Mail: lutfu.akpunar@isikun.edu.tr

Date of Place/ Birth : ERZİNCAN / 04.08.1993

Marital Status : Single

EDUCATION

DATES	DEGREE	UNIVERSITY- DEPARTMENT
2017- Present	M.Sc.	Boğaziçi University Earthquake Engineering, (Dissertation Stage)
2016 - 2017	M.Sc.	Gebze Technical University Earthquake and Structural Engineering (I have experienced one year without graduation)
2012 – 2016	B.Sc.	Sakarya University Civil Engineering, (3.62/4)

EXPERIENCES

- 1)The field surveys of "In-situ Experiment on Dynamic Soil-Structure Interaction" and "Multichannel analysis of surface waves" were conducted within the scope of the civil engineering design course. These studies have been published in Polytechnic journal in 2017 [2017; 20 (2): 303-311] and presented at the Proceedings of International Symposium on Natural Hazards and Hazard Management 2016 (Uluslararası Doğal Afetler ve Afet Yönetimi Sempozyumu 2016 - DAAYS'16). Karabük: Karabük University 2016.
- 2) I have undertaken responsibility for the group coordinator to find the sponsor company and prepare and follow up the work schedule.
- 3)I have gained experience in data acquisition and processing for earthquake engineering through extra lectures.
- 4)The subject of the master's thesis: "The simulation of the strong ground motion using the finite-differences method for low-frequency range."(Thesis Advisor; Assoc.Prof. Gülüm Tanırcan)

SCHOLARSHIPS, AWARDS, HONORS

2013 – 2016	TEV ,Undergraduate Scholarship
2013 – 2015	TEV, Honors certificate and scholarship for the 1.st ranked student in B.S.
2016 (Graduation)	Honors certificate for the 2.nd ranked student in B.S.
2015 - 2016	ENKA dormitory scholarship

SKILLS

Auto Cad	Advanced
Seismosignal	Advanced
Matlab	Advanced (Data processing in Earthquake Engineering, application in Structural Engineering)
Sap2000	Advanced
Deepsoil	Advanced
Pro bina,Sta4cad,Idacad,	Upper Intermediate
Etabs	Upper Intermediate
Tekla structure	Beginner
Ms office	Advanced

INTERNSHIPS

Structure	Construction of the industrial facility (Anadolu Cam) at Gebze O.S.B.
Transportation	K.G.M. 16th region 164th division: [Construction of highways between Erzincan - Trabzon and Erzincan – Erzurum.

CERTIFICATES

SAP2000	Certificated from Chamber of Civil Engineers (İMO) and ERAS ARNOVA institutes. (Beginner Level)
---------	---

FOREIGN LANGUAGE

English	The English prep school was completed at Boğaziçi University, School of Foreign Languages, BUEPT exam was passed. (Reading, listening, and writing are very well)
